A8 IRAJ International does not publish unregistered papers received for its conferences.

A9 IRAJ International is not responsible for verifying the authorship of a paper. The person who submits the paper will be treated as its original author.

A11 IRAJ International will not republish or distribute any suspended paper from the date of suspension.

A12 Visa information: It is the delegate's sole responsibility to check the visa requirements of the host country and to apply for a conference visa, if necessary. IRAJ International is not responsible for obtaining any kind of visa, will not contact any embassy or send letters on behalf of participants, will not share any local person's contact details, and will not issue a letter of guarantee for obtaining a visa.

B4 IRAJ International is not responsible for refunding travel tickets or any other financial loss to participants if the conference is cancelled or rescheduled. If IRAJ International cancels the event, participants receive a credit for 100% of the fee paid, usable for another IRAJ International or allied group event within one year.

B5 Transfer: Fully paid registrations can be transferred to another person from the same organization only 30 days or more before the conference, by written request to iraj.imcetri@gmail.com with the replacement's full name, title, phone number and e-mail.

C - Publication in Scopus / Web of Science and Associated Journals

C1 IRAJ International reserves the right to select papers from the conference for publication in international journals.

C2 Publication in Scopus-indexed, Clarivate WoS or other associated journals/proceedings: on the author's written request, IRAJ International can submit the paper to such journals. Additional charges apply; the author will have to pay the publication cost/APC of the particular journal. Review and publication may take 1 to 12 months.

C3 IRAJ International acts only as a mediator for publication in associated journals. Authors are encouraged to verify the journal's home page and indexing, using their own sources, before giving any paper to IRAJ International for processing.

C4 It is the author's sole responsibility to check the journal's ISSN, indexing and impact factor on the journal's home page, Scopus, WoS or other sources.

C5 Conference proceedings are submitted to the Web of Science Book Citation Index (BkCI) and Scopus for evaluation. Indexing is decided by those agencies and is not guaranteed.

C6 IRAJ International is not responsible if any journal is later discontinued or declared a clone/fake journal by Scopus, WoS or any indexing or government agency. No money will be refunded for papers published in such journals.

C7 Fees paid to attend the conference will not be refunded if the registered paper is not selected for a Scopus/WoS journal, or if the author chooses not to publish in an associated journal after the conference.

C8 Authors must pay the hard-copy charges to receive a printed copy of a journal.

C9 The editorial board reserves the right to reject any paper for journal publication after the second round of review. If the paper is rejected, the conference registration fee will not be refunded.

C10 IRAJ International reserves the right to select or reject any paper. The decision of IRAJ International management will be final.

D - Plagiarism Policy

The plagiarism policy ensures that authors give due credit to other authors when referencing, and it protects the academic integrity of the research community.

D1 All papers submitted for publication are checked with plagiarism-detection software to verify their originality and similarity percentage. Papers that fail to meet the criteria are returned to the author for revision.

D2 If plagiarism is detected just before publication, the author will be given a chance to resubmit the paper after making the changes suggested by the editor. If the editor considers the plagiarism a major issue, the paper will not be considered further for publication.

D3 If plagiarism or a fake identity is suspected or detected after publication, the paper will be removed until verification is complete. If only a few paragraphs are plagiarized, the author will be given a chance to revise the paper.

D4 If IRAJ International decides that plagiarism or a fake identity is a major issue in a published paper and it seriously violates the copyright of others, the paper will remain withdrawn, and the author may be blacklisted from IRAJ International conferences.

D5 Authors who republish their earlier published work (self-plagiarism) will be dealt with by the same procedure.
