ABOUT THE CONFERENCE

Welcome to the International Multidisciplinary Conference on Emerging Trends in Research and Innovations (IMCETRI-2026) Taking place in vibrant Chennai, India on 03rd-04th Aug 2026, it's a place where Science, Education, and Technology combine for global progress! You can think of it as a place where groundbreaking scientific discoveries spark transformative ideas, leading to innovative technologies that propel humanity forward. This hybrid conference offers the flexibility to join either in person in the vibrant city of Chennai, India or virtually from the comfort of your home or office, making it accessible to a global audience.

PURPOSE OF IMCETRI-2026

The primary purpose of the International Multidisciplinary Conference on Emerging Trends in Research and Innovations (IMCETRI-2026) scheduled during 03rd-04th Aug 2026 at Chennai, India is to provide a collaborative platform for global academics, researchers, and educators. This conference aims to facilitate the exchange of innovative research, methodologies, and practices across various educational and Science disciplines. IMCETRI-2026 seeks to encourage dialogue, foster interdisciplinary connections, address contemporary educational challenges, explore emerging trends, and showcase effective strategies, ultimately aiming to advance educational excellence and innovation worldwide.
